TO THE 'OLDER' JUNIOR CHORISTERS, AND THE
NEWER JUNIOR CHORISTERS

Dear All,

I expect that by now you've probably forgotten all about the concert on 30th January, & may even forgotten who I am!

Well, I've not forgotten you, & this card is a very late, but a very BIG THANK YOU not just for your splendid singing in the concert, but also for your loyal attendance & hard work at our Tuesday, Wednesday, Thursday & Friday practices.

You'll notice that I didn't say Saturday,

since that was cancelled because of the snow. Those of you who did last year's concert may remember how important that Saturday morning is (no school to worry about!!), but even though we lost that valuable time, you still did a very good job, as I'm sure you must have realised from the audience reaction.

I am well aware that you've already put in a lot of hard work with Dr. Allen & Mr. Fergus before I arrive, so I hope you all remembered to thank them - and your Senior Mentors.

Singing is hard work, but fun!

E = ENTHUSIASM + E for ENERGY = EXCELLENCE

(Sometimes!)

Thank you, again.
