

Choir Parent Lunch Checklist

For Sunday Lunches Before Afternoon Rehearsals

STEP ONE: What to Bring

- There are approximately 26 senior girls and 17 senior boys.
- What kind of food you bring is up to you and your chorister- regular choices are Pie Pizza and Joe's Pizza. Please bring dessert and drinks (seltzer water good) as well. You can get pitchers of water from the Church kitchen.
- Food deliveries should come to 802 Broadway and arrive by 12:15pm. You need to meet the delivery person at that time - ie prior to church ending.
- You may leave things in the nursery refrigerator downstairs if needed.
- Do not bring any red drinks since they can stain if spilled.
- Be sure to bring some paper plates, plastic cups, napkins and plastic utensils.
- Dr. Allen notifies the church maintenance staff who will set the tables, chairs and trash cans up inside the Honor Room so all that should be already done.

STEP TWO: After the Recessional

- Go back to the Honor Room to set up. One table against the South wall is used for buffet, the others are for seating.
- It is a good idea to hold any dessert back until after lunch is finished.

STEP THREE: After Everyone Is Finished

- The choristers are responsible for cleanup and for folding the chairs and putting them back on the cart. Leftovers can be taken to the Church kitchen for use at the 6:00 pm service, unless Dr. Allen tells you otherwise.
- The choristers are usually good with this.
- The maintenance staff will take the tables away as well as empty the trash.
- Thank you!!!
