### **\*FROM THE DESK OF DR. ALLEN**

Greetings everyone with hope that you are all safe, sound and healthy.

Please contact me if I can do anything to support you and your families. I'm hunkered down here at the church and am available if you need me.

Grace Church has suspended all public gatherings at least until 17 May.

The short impact of this is that our annual Easter celebration will not be able to take place together and the Annual Spring Concert and Reception will have to be cancelled this year. Rather than worry about what does not happen, find the blessings in the moment and let your light shine. Once this passes, they will return more beautiful than ever.

Recruiting is never over and normally we would be starting that phase of the season now. The brochure is all but ready to go into the post to school families. If you know of families not at GCS who should receive it, let me know and I'll will include them.

It invites interest and communication and let's people know we will do the public side in September.

Help me spread the word that families interested in joining should email or call me so I can put them on the mailing list for information and to get them in the loop.

5th grade Senior Auditions will take place in September as they being their 6th grade year.

AFTER spring break.....when virtual classes begin.....what to do about choir? Many of you have asked me about this and I've been doing research and learning about virtual possibilities. The problem with doing an ensemble activity this way is the slight delay in the sound. For most things it isn't an issue, but with our dynamic and that delay, an ensemble solution doesn't make sense. If you have an idea, shoot it to me as I'm open to all possibilities.

So.....I'd like to put on the table.....

Tuesday through Friday, two sessions each day on Zoom.

The time to be determined once you know your other schedules.

It is optional, no roll will be taken, participation is voluntary.

Choristers would sign in to the session(s) they want to participate with, tune in and turn their mike off.

The first session will be for all ages and be a 25 minute warm up and sing along, the choristers already know the warm up exercises and the repertoire will be from the Jr. Concert Book I sent out earlier in the week. I don't suggest printing it out, just let them open the pdf. I'll announce page numbers and off we will go.

after 25 minutes, the session ends, five minute break.

Session two begins for thirty minutes. This is more Senior oriented and will begin with 5 minutes of warm up - thinking the seniors will have just warmed up in the first session and 25 minutes of repertoire from the Boys and Girls Senior Music Books I sent out earlier in the week. I don't suggest printing it out, just let them open the pdf. I'll announce page numbers and off we will go.

Again, they should turn their mike off.

This session may break down some of the pieces into parts and work through so they can continue learning the repertoire.

How does this sound? We can tweak as we go but this gives a one hour block of choir time four days a week for them to tune into. You are also welcome to join in just remember we will be working in the treble register so if you sing down, you will have to drop the octave on your own.

Choir Salaries and Scholarship will follow their regular schedule unless a change is mandated by our business office which is watching cash flow/income/expenses right now to make sure during the crisis all commitments are met. I will announce any adjustments as they come up.

I think this is everything I know right now.

**SUNDAY MORNINGS: at 11 a.m.** a service will be live streamed from the church.

This week it will have organ music, no vocal support.

Repeat News:

The business office sent me a reminder that some of you have not yet cashed your choir allowance/scholarship checks going back several years. They would really like to close the books on these "old" checks. Can you look around? If you have really

old checks you can give them to me and we can re issue, but we don't want to let this list get any longer. If your not sure, ask me, I have a list of checks with names.

---

**\*THIS SUNDAY** - until at least 17 May, the 11 a.m. service will be live streamed, Grace Church is closed to all public gatherings.
