**\*FROM THE DESK OF DR. ALLEN**

What a beautiful day it is here in New York. We are to hit 80 degrees - it feels like summer. I hope this note finds you all healthy, safe and well.

Thank you for checking in on me and for all your kind words. I cherish these messages and the contact we have now in so many new ways.

QUESTION: Do we have Zoom rehearsal next Friday? Memorial Day weekend or based on past practice, let the holiday begin? Please give me your thoughts and I'll send out an announcement.

The Zoom Rehearsals continue to go very well. I am so proud of all the choristers and how they are working together. This week we have made a new leap in rehearsals, everyone has access to the music so I can see all their faces and by being able to have more solo voice opportunities. It's fantastic and now a way for the choristers to hear one another.

Please encourage them to occasionally listen to the choral music down below. The old choristers will know the repertoire, the music for most of it is on the web music score page and they can sing along.

For the younger ones, it will put the repertoire in their hearts and minds and they also are welcome to sing along.

It is the first and one of the most important ways we learn - Listening and Imitating.

Stay safe and have a wonderful weekend. Let your light shine and Fear not!

All my love, Patrick

Have your choristers done any of the listening work down below? I know they are very busy with zoom school and all the other activities that have found a way to occur. If they pick one or two a week to listen to several times it will be so good for them. This music is good for the heart, the mind and the soul.

5th grade Senior Auditions will take place in September as they being their 6th grade year.

Choir Salaries and Scholarship will follow their regular schedule unless a change is mandated by our business office which is watching cash flow/income/expenses right now to make sure during the crisis all commitments are met. I will announce any adjustments as they come up.

The business office sent me a reminder that some of you have not yet cashed your choir allowance/scholarship checks going back several years. They would really like to close the books on these "old" checks. Can you look around? If you have really old checks you can give them to me and we can re issue, but we don't want to let this list get any longer. If your not sure, ask me, I have a list of checks with names.

We will keep the same schedule as before.

Each day will comprise of two parts:

1. [The warm up and junior repertoire part from 4:00 - 4:25 p.m.](#)  
a five minute pause
2. [The senior rehearsals from 4:30 - 5:00 p.m.](#)

Just click on these and you are there. Once we start the music all choristers should turn off their mike at their computer. The difference in band width makes working in sync impossible, so we will be most successful if they just sing along with what comes through.

Choristers should [have the LINK of the music books](#) open on their desk tops. This page has all the music they need for the sessions in one place.

They keep the same schedule as before but now have a special title celebrating all their hard work.

In September they move to the "Junior" Tuesday schedule.

Please ask questions, I'm sorry it's so confusing.
