**\*FROM THE DESK OF DR. ALLEN**

Good morning everyone, I hope this note finds you with a smile and in a group hug at home with your family. The Choir Steering Committee had a great meeting this morning. Lots of time was spent visioning an exciting new season for September. Life changes every day, we live one moment at a time, so we ask everyone for their creative spirit and good will as we live into this new age. The music will flow and the choir will sing. Life continues. God is good.

Our organ scholar Hannah Cen graduates from the Manhattan School of Music on 15 May. Well done Hannah! Due to complications with her visa and her acceptance into the Doctoral Program at Rice University in Houston, she will be leaving us early, on 15 May.

Join me in wishing her well and every success.

The Music Committee, Fr. Waring and myself will be exploring the future of the Organ Scholar Program and that support of the Music of Grace Church over the summer as we look to fill that appointment.

This development along with many others means I won't be going to Europe this summer. I'll be here at the church through July. In August, I'll be on vacation hopefully in north Georgia at my family home.

Zoom Rehearsals continue to go very well. I am so proud of all the choristers, their hard work and good spirits. I miss everyone so much.

Have a beautiful and special Mother's Day! and a wonderful, safe weekend.

Let your light shine! Fear not!

All my love, Patrick

Have your choristers done any of the listening work down below? I know they are very busy with zoom school and all the other activities that have found a way to occur. If they pick one or two a week to listen to several times it will be so good for them. This music is good for the heart, the mind and the soul.

5th grade Senior Auditions will take place in September as they being their 6th grade year.

Choir Salaries and Scholarship will follow their regular schedule unless a change is mandated by our business office which is watching cash flow/income/expenses right now to make sure during the crisis all commitments are met. I will announce any adjustments as they come up.

The business office sent me a reminder that some of you have not yet cashed your choir allowance/scholarship checks going back several years. They would really like to close the books on these "old" checks. Can you look around? If you have really old checks you can give them to me and we can re issue, but we don't want to let this list get any longer. If your not sure, ask me, I have a list of checks with names.

We will keep the same schedule as before.

Each day will comprise of two parts:

1. [The warm up and junior repertoire part from 4:00 - 4:25 p.m.](#)  
a five minute pause
2. [The senior rehearsals from 4:30 - 5:00 p.m.](#)

The Password in case you need it: 770437

Just click on these and you are there. Once we start the music all choristers should turn off their mike at their computer. The difference in band width makes working in sync impossible, so we will be most successful if they just sing along with what comes through.

Choristers should [have the LINK of the music books](#) open on their desk tops. This page has all the music they need for the sessions in one place.

### **\*RECRUITING IS NEVER OVER!**

**This is our slogan, so if anyone asks, it is never too late to join the choir family and be part of this special community as the music blooms.**

Recruiting is never over and normally we would be starting that phase of the season now. The brochure has been posted to school families.

If you know of families not at GCS who should receive it, let me know and I'll will include them.

The brochure and letter invites interest and communication and let's people know we will do the public side in September.

Help me spread the word that families interested in joining should email or call me so I can put them on the mailing list for information and to get them in the loop.
