

A community for everyone celebrating  
excellence in music and God's love for all!

Wishes for a Holy and Blessed Ash Wednesday today!

#### NEXT WEEK

**The Annual Festival for Juniors and Novices with Senior Mentors**  
is scheduled to take place.

This is a shortened "pandemic" version of our annual event.

The goal is to learn a lot, sing safely and record some music to include in an  
Annual Spring Virtual Concert.

I need a core group to confirm in order to go forward, so.....

If you would like your chorister to participate, **please sign them up** - There  
is sign up for each day due to the need for contact tracing records and to  
have a core group that can accomplish the goals.

The deadline to **sign up** is midnight tomorrow, Thursday 18 February.

If there is not a good size core group, we will let this go and revert to our  
regular weekly routine.

No problem if it doesn't work.

These are difficult times and unusual circumstance,  
it's just a possibility if there is enough interest.

I'll announce what we will attempt next week in Friday's newsletter.

**The details are in the last newsletter**
