

The Boys and Girls Choirs of Grace Church in New York

NOVICE/JUNIOR Fall 2022 Choir Parent Orientation

Mission Statement

The Grace Church Choir Program seeks to sustain and strengthen the rich tradition of choral offerings at Grace Church by fostering a community for everyone celebrating excellence in music and God's love for all. The Choir Program welcomes singers and musicians who desire to celebrate and extend this ministry undertaken by Grace Church.

A Note from P. Allen: I want to thank every one of you for being part of the Choir Family. We are stewards of an amazing choral foundation! Our program is based on an ancient tradition, most recently in the past thousand years in England secured in the Cathedrals and Collegiate Chapels.

Our program is grounded in the Book of Common Prayer that affirms our respect of the dignity of all humanity. The choristers follow the ancient model of being the sopranos for professional choirs where adults sing the alto, tenor and bass parts. The experience a child receives in this type of training is unique and equips them in so many special ways for the rest of their life. With such a history, choirs over the past thousand years have experienced many challenges. This pandemic is ours at the moment. The structure of our daily choir life will support us all as we meet the challenges of the pandemic and the need for flexibility and change to keep everyone safe.

Part of what makes the program so special is the mentoring of the younger choristers by the older ones. That is why, throughout the program design, you will witness opportunities for the three training levels to overlap. That being written, please consider sending your novice or junior chorister in on a regular Sunday with the respective boys or girls senior choir several times a school term. That way, they can stand with the seniors and be immersed in the sound and practice of the older choristers.

I am also asking our Senior Families to send in their choristers to the novice and junior rehearsals several times each term, an/or to mentor a junior Evensong, a "junior" Sunday, or the Treble Concert. That "book buddy" musical relationship is essential for the musical and communal growth of our foundation. This is how we connect across the grades and years. It would be better if we can achieve this in spirit without rules than have to move towards more structure or required days.

Let's have fun, make great memories, and create beautiful music in this special anniversary season! It is once in all our lives to be part of this time! Let the music and fun flow! PA

Program
