THOUGHTS ON REHEARSAL ATTITUDE AND DISCIPLINE, COMING OUT OF LOCK DOWN AND LIVING INTO AND PAST THE PANDEMIC...

Flexibility and Participation: As we live into the flexibility built into the training
program to support our contemporary lifestyle, it is important to remember the
benefits of regular work and training discipline.
Covid blew it all away, we went very relaxed to keep connections and momentum alive
during the height of the pandemic.

As things begin to transition to the new normal we all need to be conscious about
rebuilding and teaching as the rhythm resumes and takes its new form.
Please take good care that we not get so flexible that we throw the baby out with the
bath water. I don't ask for time we don't need. Starting late, cutting short doesn't
work in choir as there is no make up possible. Once lost, the opportunity is lost. The
voice isn't trained, the music doesn't get learned.

Our tradition is one of constant offering, we may be described as a repertoire choir.
The music blooms day in, day out, week end, week out, never ceasing.
The music being learned isn't for one time at end of term, but is repertoire offered at
home and abroad over generations, that is part of what builds the strength of the choir
and this special tradition. Within the repetition comes new voices that make it their
own and of course new compositions to grow the repertoire.

SUMMER TOUR CORNER:

The Summer Tour planning process has begun.

Out dates:

Assembling in the designated location for an opening dinner on 17 June.
Final dinner before departure on 24 June.

Two potential programs that will include:

1. Berlin - Krakow
2. Krakow - Warsaw
3. Krakow - Budapest

Our Tour Company is working on the concert venues at the moment, a little slow due to many places still adjusting their Covid opening up/closing down/reopening up and trying to anticipate next summer's possibilities.

Once we have done some polishing and other work and have important dates and information a kick off meeting either live or via zoom (tbd) will be announced.

Please be thinking if your family will participate.

Ask P. Allen and members of our Mighty Tour Planning Committee lots of questions, don't be shy. The more we communicate the better the planning and quicker the planning will go.

Big Shout Out to our Planning Committee!

The Tour Committee oversees and coordinates, we all participate in the work and offering of the tour, so see them as your resource and be prepared to volunteer to help with the many tasks involved in producing a concert tour. It's so fun!

The Choir Handbook.

The Handbook was created when we revised the whole training curriculum of the choir many years ago.

Creating the Handbook was the original reason to establish the Choir Steering Committee which has continued to be so much a part of our life since that time. It was once passed out each new season, but went green and onto the website where it still lives in the choir family area.

The Handbook defines our community, our purpose, who we are and how we are organized. At the time we thought that this would help focus our purpose and commitment to one another as the choir community and it worked brilliantly. It's content lies at the foundation of all we are and do. I just remind all of it's presence and purpose. It is always there for you to review.

***RECRUITING IS NEVER OVER!**

This is our slogan, so if anyone asks, it is never too late to join the choir family and be part of this special community as the music blooms.

Recruiting is never over and normally we would be starting that phase of the season now. The brochure has been posted to school families. If you know of families not at GCS who should receive it, let me know and I'll will include them.

Help spread the word that families interested in joining should email or call me so I can put them on the mailing list for information and to get them in the loop.
