#### **\*P. Allen Greetings -**

**Happy Friday and start to October everyone. I don't ever remember a September flying by so quickly. Try to slow down, be safe and careful. I don't know about you, but I find all the complexities of interaction more difficult now than a year ago. The number of wild cards has greatly increased. In my mind a vaccine makes you immune to a sickness, but this is different, the science keeps changing and while we are safer with the vaccine, we don't seem to be protected from getting the virus.**

**Be especially careful with the socialization of the children.  
If it's hard for us to grasp imagine what it's like for them.**

I find it difficult to keep them distanced at moments where it's critical for them like during snack when they take their masks down.

During our work time, they separate and fall into place perfectly. I'm so proud of them. Rehearsals are very exciting.

**NOVICE FAMILIES** - Love and prayers for safety and health as the second grade lives through their quarantine period. I hope everyone gets through safe and well. On Wednesday and Thursday next week October 6/7 you can **zoom into choir** between 3:00 and 4:00 p.m. - with your parents permission.

**QUESTION for Senior Girl and HS/Alumni Girl Families:**

We need to have the Sunday afternoon rehearsal on 31 October (1:00 - 3:00).

It's the big sing through with the Adult ladies of the Britten Ceremony of Carols, preparing for that offering in December.

Believe it or not, that is the only opportunity to have that rehearsal and having not offered it last year, it's essential.

If you think it a bad idea, please let me know.

We may have to postpone the Britten until 2023 if we don't have a strong enough turn out on the 31st.

Let me know your thoughts.

**JUNIOR FAMILIES** - Love and prayers to our fifth graders for healing, safety and wellness. With all the disruptions from Covid and the adjustments to work rhythm I'd like to postpone the formal start to offering Evensong on Tuesdays for a while.

Until Evensong resumes, please feel extra invited to come early for pick up and sit out in the church to meditate and listen to the choristers. I'll give a heads up when we are ready to begin Evensong, but small slow steps will grow the most beautiful musical and spiritual offerings. If your chorister is home next week they are welcome to **zoom into choir** on Wednesday and or Thursday and sing along!

**HS young men** - I'd love to start up the shaving club again and offer training for your new voices and learn old repertoire in the new registers and parts you will sing. Let me know of your interest and schedules and we can build something.

**The Choir Steering Committee** had a great meeting last Friday via Zoom. We began the preparation for a summer 2022 concert tour to Europe (Berlin/Poland) just after graduation/school closing and before the camp start ups, discussed the annual Thanksgiving Pie sale and what form it will take this season and as always

talked about recruiting which is never over. A fantastic meeting.

Thank you everyone.

**New families**, don't be shy to ask questions and to reach out to families with some choir history. We are building a new community rhythm this year, everyone has a part to play in giving it joy, smiles and life. Let the music bloom.

Enjoy this autumn weather, be safe and have a blessed Weekend.

Big hug, love and smiles, p.

### The Choir Handbook.

The Handbook was created when we revised the whole training curriculum of the choir many years ago.

Creating the Handbook was the original reason to establish the Choir Steering Committee which has continued to be so much a part of our life since that time. It was once passed out each new season, but went green and onto the website where it still lives in the choir family area.

The Handbook defines our community, our purpose, who we are and how we are organized. At the time we thought that this would help focus our purpose and commitment to one another as the choir community and it worked brilliantly. It's content lies at the foundation of all we are and do. I just remind all of it's presence and purpose. It is always there for you to review.

### **\*RECRUITING IS NEVER OVER!**

**This is our slogan, so if anyone asks, it is never too late to join the choir family and be part of this special community as the music blooms.**

Recruiting is never over and normally we would be starting that phase of the season now. The brochure has been posted to school families.

If you know of families not at GCS who should receive it, let me know and I'll will include them.

Help spread the word that families interested in joining should email or call me so I can put them on the mailing list for information and to get them in the loop.
