***P. Allen Greetings -**

The Seventh day of the Festival of Music for Treble Voices.....we rested our voices.

I hope everyone is basking in the glow of yesterday's musical offering and accomplishments. So much good community, growth, music making and spirit.

Well done all.

See you this week.

I can't wait to keep growing and building on all we learned and experienced last week. Lots more to do, lots more music to prepare.

Big hug, love and smiles, p.

***All things Covid....**

We follow the guidelines and protocols established by Grace Church School.

*** Everyone over the age of 12 must be vaccinated a minimum of two weeks prior to first rehearsal.**

***Anyone ineligible for the vaccine or under 12 must have had a negative covid test not more than 72 hours prior to first rehearsal. If your child is a Grace Church School student, their school test submission is sufficient. If your child attends another school, please [submit](#) negative test results [here](#).**

[Covid Update from GCS, George Davison 24 August 2021](#)

***Masks will be worn at all times indoors.**

***When singing a six foot distance will be maintained between singers.**

Most Recent Update: 7 January based on the communication issued today by GCS.

Return from Positive Test Quarantine

Fully vaccinated people who test positive for Covid-19 must quarantine and isolate. They may return to in-person after **five days** from the date of their positive test (day zero) if they are symptom free, have had no fever for 24 hours and are feeling well.

Counting days begins from the date of the positive test, which is day zero. On the sixth day, students may return if they are symptom free, have had no fever for 24 hours and are feeling well.

Return from Household Quarantine

If a fully vaccinated person lives with someone who tests positive for Covid-19, they can return after five days if they are symptom free AND present a negative test taken after the fifth day.

Exposure

Fully vaccinated choristers who are vaccinated and boosted who are exposed to Covid-19 by a contact from outside of their household do not have to quarantine. They must monitor their symptoms closely and get tested on the fifth day from exposure.

Unvaccinated and partially vaccinated people who are exposed as a close contact (indoors, unmasked for 15 or more minutes in a 24-hour period), must quarantine for 5 days.

Masking

Masks will continue to be required at all times. All members of the community should wear properly fitting KN95, N95, or surgical masks moving forward. The data suggest that these masks provide much more protection than cloth masks especially against the more contagious Omicron variant. These masks are readily available at drug stores and from online retailers.

***RECRUITING IS NEVER OVER!**

The Concert this Sunday at 4:00 is a great recruiting tool.

Invite friends and family to come hear your chorister(s) sing!

The Choristers sing better with a audience where family is the minority and they also love to sing for their families.

Your job is audience development. Bring in fresh and joyful new faces and spirits to grow the music.
