Girls Families - the weekend of the 14/15th December is a very special one for you all. Note Dress Rehearsal and Service.

The fall fundraiser has launched - used to be pies and chocolate - it's transforming into a holiday sale focusing on wrapping paper and also other items. Look over the blast with info and get registered to start selling.

Season's Greetings!

Have a wonderful Holiday weekend, love, p.

Parents, I need your help. Would you assist your chorister in hanging up their vestments for the coming month or so to teach a good procedure?

- 1. Put surplice/white on the correct hanger.**
- 2. Put cassock/black over the white on same hanger.**
- 3. Button top two buttons of cassock - very important.**
- 4. Place hanger in the correct spot on the rack in number order neatly.**

If we can get this procedure learned as a habit our vestments will wear better when on us and last longer. Many thanks.

Parents, please sign up to be a choir parent helper, breakfast provider or special activity volunteer. It takes a community!

Start up is officially over, recruiting never stops....time to reduce content in the newsletter. Please use this link to find materials in the September issues you may want to access such as the orientation materials and other information.

Laundry Tip: the robes are a synthetic material for ease of throwing in the wash and dryer. If you pull them out of the dryer as soon as they are dry and hang them up they don't wrinkle. No amount of ironing takes out the wrinkles, the fabric is designed to be hung up warm.
